2008 Nord Star 28 Patrol

The Nord Star 28 showcases a sleek and contemporary design, reflecting precision craftsmanship that guarantees durability and aesthetic appeal. Every detail, from the hull to the interior, is meticulously engineered to provide a superior boating experience. Step into the inviting cabin and discover a world of comfort. With its intelligently designed layout, the spacious cabin features ample sleeping quarters, a well-equipped galley, a bathroom with modern amenities, comfortable seating, and a dining area. It's your home away from home on the water.

Powered by a reliable and efficient Volvo Penta D6-330hp, offering exceptional performance and manoeuvrability. Cruise with confidence, whether you're exploring coastal waters, engaging in water sports, or enjoying a leisurely day trip with family and friends. Equipped with state-of-the-art navigation and electronic systems, including GPS, radar, and advanced safety features and ensures a secure and enjoyable journey. Stay on course, monitor your surroundings, and prioritize safety for a worry-free adventure. Whether you're a fishing enthusiast, a water sports lover, or a sun seeker this boat is tailored to accommodate your favourite activities. Its versatility allows you to make the most of your time on the water,
