AN IDEAL FAMILY BOAT

The Company normally acts as broker for the vendors who unless otherwise stated is not selling in the course of a business. Whilst every care has been taken in the preparation of these particulars the correctness is not guaranteed and they are intended as a guide only and do not constitute a part of any contract. A prospective buyer is strongly advised to check these particulars and at his own expense to employ a qualified marine surveyor to carry out a survey and / or to have an engine trial conducted by us shall not imply any liability on our part.

Accommodation:

Hubble Bubble is a lovely river cruiser and makes an ideal family boat. She has a spacious cockpit with seating for 4/5 adults. The helm is post side and is nice and clear to see. There is a stb side seat mounted above the fridge.

You then step down into the open plan cabin. The first think you notice is how light and airy Hubble Bubble II is thanks to the large windows.

Port side is the heads which has a hand basin (Cold water only) and a chemical loo.

Opposite is a large wardrobe. This leads onto the galley which is equipped with a two ring LPG hob, Oven, stainless steel round sink and drainer and ample work surface and storage space.

Opposite the galley is the 'U' shaped dinette. This converts to a double berth and has storage beneath.

Fwd is the large 'V' berth which also has storage beneath.

Hubble Bubble is a well presented, quality brand boat at a sensible price.

Inventory: TV, Stereo, 240v Shore support, 2x Batteries, 2x Battery chargers.
