A prospective buyer is strongly advised to check these particulars and at his own expense to employ a qualified marine surveyor to carry out a survey and / or to have an engine trial conducted by us shall not imply any liability on our part.

**Accommodation:** Silver Sovereign has been lovingly and sympathetically updated. The 36 Rapallo is a fantastic boat. Ideal for the family thanks to the large social, cockpit, private aft cabin and the very large dinette which converts to a double berth.

Access is gained via stepping into the deep centre cockpit from either side. Thanks to the depth of the cockpit, makes it a safe place for your family whilst out enjoying the sea. The cockpit has a large 'L' shaped seating aft and Stb side with a lovely high gloss table. There is also a large sun pad too. The helm is Stb side and has that classic 80's vibe. It benefits from the popular twin helm seat too. Opposite is the twin navigator's seat. Both have storage beneath. There's also plenty of storage around the sides of the cockpit also. Engin access is under the cockpit floor.

Access to the Saloon is through the centre sliding door.

You then step down into the main saloon. This has been very tastefully refitted out. The galley is port side and equipped with a stainless-steel sink with mixer tap, two ring LPG hob, Microwave Combi, fridge, ample storage and work surface. s nice and light due to the light walls and large windows.

FWD are two storage compartments. One either side. Comprising of a set of three draws and cupboards.

This then leads on to the very large 'V' berth which converts to a double berth and has storage beneath. This has all been re-upholstered. There's a large bi-folding high gloss table, TV, stereo, plenty of 240v sockets and overhead lighting.

Opposite the galley is the shower and toilet compartment. The shower has its own cubical with shower curtain and a nice modern shower. There's a hand basin with mixer tap, large mirror, surface space, storage and an electric flush loo.

Going back through the cockpit, you remove some of the seating cushions to reveal the doored access to the private Aft Cabin.

You step down into the cabin which comprises of a double bed on the Stb side, bedside set of draws, modest wardrobe and it's own En-suite.

The En-suite is fitted with a hand basin with mixer tap and an electric loo.
