Accommodation: Playbuoy provides the combination of huge space and value.

This lovely Bayliner 3055 EL Ciera Sunbridge is ready to go giving you the opportunity to enjoy the full boating experience as it's just been surveyed.

Access is gained via the port side transom door into the large cockpit.

Here you have the large 'U' seating and table on the Stb which provides ample space for socialising and converts to a large sun lounger.

The helm is Stb side and is well laid out and has a lovely sporty feel to it. The helm seat is adjustable as is the steering wheel. Opposite is the navigator's seat.

You also have a wet bar on the port side with sink and locker. (Access to the engines is beneath).

The cockpit is fitted with waterproof speakers.

Access to the main cabin is via the central door.

When you open it, you will be impressed with the space downstairs.

The head height is approx. 6'5".

Under the cockpit is a large double cabin with lights and an opening window.

The shower and toilet compartment is port side and fitted with a manual sea toilet to holding tank and fitted with an inline 'Blue' dispenser, hand basin and shower both with hot (hot water via calorifier/immersion) and cold water, mirror and storage cupboard.

Next is the galley which benefits from an electric hob, microwave, large fridge and ample work surface and storage, single sink with hot and cold water via the calorifier/immersion.

Opposite is the dinette which can comfortably seat 4 adults.

There's further stowage beneath.

Fwd is the large double berth with its privacy curtain. Again, this has stowage beneath.

Playbuoy would make a fantastic family boat and has a good maintenance record too.
