A STUNNING SPORTS CUDDY

The Company normally acts as broker for the vendors who unless otherwise stated is not selling in the course of a business. Whilst every care has been taken in the preparation of these particulars the correctness is not guaranteed and they are intended as a guide only and do not constitute a part of any contract. A prospective buyer is strongly advised to check these particulars and at his own expense to employ a qualified marine surveyor to carry out a survey and / or to have an engine trial conducted by us shall not imply any liability on our part.

Accommodation: The Windy 25 Mirage is a lovely, stylish and sporty cuddy known for its handling, practical design and quality. Vinto offers ample seating in the cockpit for upto 4 people and a generous sized cuddy for weekends away. The helm has two swivel seats for both the driver and navigator, both with bolster too. The large wrap around, stainless steel windscreen provides excellent protection as well as looking incredibly classy. The windscreen also has a central door providing access to the bow. A fitted bow cushion is included. In front of the navigator is the practical cold water sink and in the footwell floor is a convenient bottle store allowing you to have your favourite summer tippie onboard. You will also find the hi-gloss mahogany table neatly stowed away on the port side. This mounts into the deck towards the stern as not to compromise the size of the cockpit. The engine access is gained by way of a hydraulic engine bay hatch.

You then step down into the cuddy cabin.

The cabin is fitted with a generous size 'U' shaped seating area with table. This converts to a large double bed. There is also a manual sea toilet hidden away.

If you are looking for something a bit different to everyone else, come and have a look at this great boat.
