A NICE EXAMPLE OF THE POPULAR PRINCESS 32. AN IDEAL FIRST BOAT

The Company normally acts as broker for the vendors who unless otherwise stated is not selling in the course of a business. Whilst every care has been taken in the preparation of these particulars the correctness is not guaranteed and they are intended as a guide only and do not constitute a part of any contract. A prospective buyer is strongly advised to check these particulars and at his own expense to employ a qualified marine surveyor to carry out a survey and / or to have an engine trial conducted by us shall not imply any liability on our part.

Accommodation: Access to Leanda J is from either side of the vessel into the large cockpit.

Aft is a full width bench seat/day bed which pulls out to provide access to the engine bay beneath. The helm is mid ship port side. Opposite is the navigator's seat with the fridge under it. There is also a central lazarette. This provides access to the fuel tank and calorifier. There's a central door leading down into the saloon. Port side is the shower and toilet compartment, fitted with a hand basin with an over basin shower, storage and Jabsco electric toilet. Opposite is the galley. This is equipped with a round stainless-steel sink and drainer, hot and cold mixer tap (Hot water from calorifier and immersion), 4x ring LPG hob, Microwave oven and storage. This leads onto the sofa/single berth. There is storage below the seating. Opposite is the large dinette. This converts to a double berth with a wall mounted TV, power points, computer connection and SmartGuage. Again, there is storage below the seating. Fwd is the private cabin. This is fitted with a Vee berth with two small wardrobes and storage beneath the berths. Leanda J is fitted with warm air heating, allowing you to enjoy her all year round. Leanda J is a nice boat for its age and would make a great first boat.

Owners Comments:
