A VERY PRACTICAL SPORTS CRUISER

The Company normally acts as broker for the vendors who unless otherwise stated is not selling in the course of a business. Whilst every care has been taken in the preparation of these particulars the correctness is not guaranteed and they are intended as a guide only and do not constitute a part of any contract. A prospective buyer is strongly advised to check these particulars and at his own expense to employ a qualified marine surveyor to carry out a survey and / or to have an engine trial conducted by us shall not imply any liability on our part.

Accommodation: Silver Spray is a well-presented cruiser. Ideal for Sea, Rivers or the Lakes. (Cat C). Offering a nice bright and airy cabin. Ideal for weekends cruises.
Access is gained either via the transom door or stepping into the cockpit from either side.
There's seating for approx. 4 adults and a table.
Access to the saloon/helm is via the slide glass doors.
The Activ 705 is a very light and airy boat. It has huge windows that open and a large tilt and slide sunroof.
The layout is also very clever. The seating is adaptable to convert the helm seat and dinette into another double berth and there is further seating for the navigator.

The helm is midship, STB side. It has a nice clear dashboard with carbon effect dashboard and benefits from having the Lawrence HDS7 plotter and the Mariner Smart Gauges.

The basic galley is port side and is a linear design. Fitted with a stainless-steel sink with a cold-water supply, drainer, and fridge. (No hob).

Moving FWD. Port side is the compact, private toilet compartment fitted with a manual sea toilet to holding tank.

This leads on to the FWD double berth. There is a deck hatch and two over head lights.

Silver Spray is a very tidy boat and would make an excellent family cruiser. Early viewing is recommended.

Inventory: Lawrence HDS7 plotter, Smart Gauges, Speed log, Depth sounder, VHF Radio. 12v socket, Solar panel, 240v shore support and Battery charger.

Decks: Navigation lights, Windscreen wiper, Fenders, Warps, Bow roller, Anchor, Electric windlass, Stainless steel pulpit rails and grab handles. Rod holders, Bathing platform, Swim ladder.

Safety: Fire extinguisher, Fire blanket, Horn, Bilge pump. BSS till Aug 2028.

End of report
