A VERY GOOD EXAMPLE OF ONE OF EUROPE'S MOST POPULAR SPORTS CRUISER

The Company normally acts as broker for the vendors who unless otherwise stated is not selling in the course of a business. Whilst every care has been taken in the preparation of these particulars the correctness is not guaranteed and they are intended as a guide only and do not constitute a part of any contract. A prospective buyer is strongly advised to check these particulars and at his own expense to employ a qualified marine surveyor to carry out a survey and / or to have an engine trial conducted by us shall not imply any liability on our part.

Accommodation:

The spacious cockpit is ideal for entertaining or relaxing with having a large 'U' shaped settee and the option to bring the large dinette table up in to the cockpit or to use the smaller one which is in situ. The settee converts to a sun bed or an additional double berth. There are two large forward facing command seats, both with stowage beneath and a lazarette on the port side. The helm is Stb side. Engine gauges and throttle cables have been replaced recently to provide a positive feel.

You then step down into the cabin.

Port side is the 'L' shaped galley with twin stainless-steel sinks and a mixer tap. There is an LPG cooker with 2 burners, grill and oven, a good size fridge and generous work surface and storage.

Opposite is the door to the under-cockpit cabin.

This is fitted with a large double berth, seating area with stowage beneath, hanging locker, stowage lockers, reading lamps, window into the cockpit and good standing space.

The Fwd accommodation comprises of a dinette with a high/low folding table with seating for approx. 6. This also converts to a very large double berth; there are overhead lockers a hanging locker, drinks cabinet overhead lighting and opening port holes.

Cassel is in very good condition and is a credit to her current owners. Early viewing is recommended.
