A GREAT EXAMPLE OF THIS QUALITY RIB

The Company normally acts as broker for the vendors who unless otherwise stated is not selling in the course of a business. Whilst every care has been taken in the preparation of these particulars the correctness is not guaranteed and they are intended as a guide only and do not constitute a part of any contract. A prospective buyer is strongly advised to check these particulars and at his own expense to employ a qualified marine surveyor to carry out a survey and / or to have an engine trial conducted by us shall not imply any liability on our part.

Accommodation:

The A500 Playtime is a great boat for the family or as a diving platform. She has a built-in integral nose locker underneath the bow seat. The central console has a forward-facing seat with stowage locker, which is accessible from the front and rear. She has moulded self-draining deck. The twin jockey seats have stowage beneath with stainless steel back rests. There is a triple aft seat with stowage beneath where the battery master switch is located. The boat is fitted with a stainless steel 'A' frame and ski bar and stainless-steel tow eyes.

Inventory:

Navman, VHF radio, Speed log, Depth sounder, Fish finder, Fuel Gauge and Rev Counter, Trim and Tilt Gauge (Yamaha Digital Network Gauges), Battery master switch and Fuel Filter.
A brand-new Galaxy Braked trailer will be provided, including light board.

Decks:

Navigation lights, Warp, Stainless steel A Frame and Ski Pole.

Safety:

Bilge pump, Horn, Self-Draining Decks.
