A GOOD EXAMPLE OF THIS SPACIOUS SPORTS CRUISER

■ The Company normally acts as broker for the vendors who unless otherwise stated is not selling in the course of a business. Whilst every care has been taken in the preparation of these particulars the correctness is not guaranteed and they are intended as a guide only and do not constitute a part of any contract. A prospective buyer is strongly advised to check these particulars and at his own expense to employ a qualified marine surveyor to carry out a survey and / or to have an engine trial conducted by us shall not imply any liability on our part.

Accommodation: Access via stb side transom door into the large sociable cockpit. The helm has seating for three with a well laid out dashboard. The canopy is very versatile and can be converted into a bimini. Engine access is under the cockpit floor to a well illuminated engine bay.

From the cockpit you have a bi-folding door with steps leading down into the open plan main cabin you will notice immediately that the main cabin has been transformed into a very modern area with deep pile carpets throughout and cream upholstery, the seating is to portside with storage above and below.

If you're a music lover you have the added bonus of a surround sound system which has speakers throughout the cabin and in the cockpit area.

The forward v-berth is large and has ample storage and lighting, with privacy curtains rails separating you from the saloon area.

Starboard side you have the galley which is equipped with a Kenyon electric/spirit hob, microwave and fridge all set within a stylish surround.

The toilet compartment is modern and fresh it includes; a wash basin, electric toilet to holding tank, storage, illuminated mirror, shaving point, and extractor fan.

The under cockpit cabin berth is light and airy with the cream décor.

All light fittings and sockets are chrome.

Additional info: Engines and stern drives service in June 2019.
2 new batteries fitted in Apr '17.
Anchor is not fitted with chain.
