A HIGH SPEC SPORTS CRUISER

The Company normally acts as broker for the vendors who unless otherwise stated is not selling in the course of a business. Whilst every care has been taken in the preparation of these particulars the correctness is not guaranteed and they are intended as a guide only and do not constitute a part of any contract. A prospective buyer is strongly advised to check these particulars and at his own expense to employ a qualified marine surveyor to carry out a survey and / or to have an engine trial conducted by us shall not imply any liability on our part.

Accommodation:

A generously sized and sociable cockpit. It has ample seating with a stow away transom seat, rear facing mid seat and port side fwd facing 'L' seating with swivel helm seat. (Ware on upholstery). The helm is stylish and has a sporty feel.

The door to the cabin below has built in steps providing access through the windscreen onto the deck.

The cockpit also includes a with storage locker with surface space on the port side and access to the engine beneath the aft deck.

You then step down into the main cabin.

There's an under cockpit double cabin, Galley to the port centre with a new portable halogen hob, sink, hot and cold water, fridge, new microwave, work surface and storage. The toilet compartment is centre Stb and includes a Vacuflush loo to holding tank, Wash basin, hot and cold water, Storage space and a mirror. The Fwd dinette converts to a double berth.

The Run Seeker has been upgraded to a self-sufficient boat by way of having an extensive electric system providing stand alone electrics without the noise of a generator or being connected to shore support.

OWNERS COMMENTS:

I have fitted a 300Ah Lithium battery stack, 3kW Victron inverter, Victron battery management system, Lawrence Elite 5 side view sonar, Smart heating (Electric off the inverters) can be operated via an App.
