AN EXCELLENT FAMILY 6 BERTH SPORTS CRUISER

The Company normally acts as broker for the vendors who unless otherwise stated is not selling in the course of a business. Whilst every care has been taken in the preparation of these particulars the correctness is not guaranteed and they are intended as a guide only and do not constitute a part of any contract. A prospective buyer is strongly advised to check these particulars and at his own expense to employ a qualified marine surveyor to carry out a survey and / or to have an engine trial conducted by us shall not imply any liability on our part.

Accommodation: Stowe Away is a well-made and equipped sports cruiser.

Access is gained via the port side transom door in to the large, sociable cockpit. There is ample seating for 7 adults. (Engine access beneath aft seating).

To aft port side features a wet bar with sink, cockpit fridge and a hot/cold transom shower.

Aft seating either side of the cockpit table, a chaise long port side and Stb side is twin helm seat which rotates to allow the helm seat to be part of the social group.

The dashboard is well laid out and has a nice sporty feel to it (Some mild salt corrosion). Access to the bow is via the Walk-thru curved tempered glass screen.

Access to the cabin is through the centre folding door.

You then step down into the main cabin.

Stowe Away has excellent head room of approx.6'3" and is light and airy thanks to It being finished in beige and cream upholstery with complimenting carpets (still having carpet protector in place) and beech finish woodwork.

It has a large fwd double berth with separate storage areas from the main cabin and is screened off with its own privacy curtain.

The port side salon features a nice, curved seating area which converts to make a double berth.

Opposite is the galley. The galley is a linear design and fitted with a single electric hob, microwave, stainless steel sink and ample storage.

The shower/toilet compartment is Stb side and has an electric flush toilet with electric macerator to a 64lt holding tank.

The under-cockpit cabin is a good size with a large double berth fitted with lighting and storage. It is separated from the main cabin by a privacy curtain.
