AN EXCELLENT EXAMPLE OF THIS LUXUARY SPORTS CRUISER

The Company normally acts as broker for the vendors who unless otherwise stated is not selling in the course of a business. Whilst every care has been taken in the preparation of these particulars the correctness is not guaranteed and they are intended as a guide only and do not constitute a part of any contract. A prospective buyer is strongly advised to check these particulars and at his own expense to employ a qualified marine surveyor to carry out a survey and / or to have an engine trial conducted by us shall not imply any liability on our part.

Accommodation: Access onto the V45 is gained via the bathing platform through the port side transom door, the cockpit is designed for socialising. It is fitted with a wet bar that includes a BBQ (Factory fitted optional extra), stainless-steel sink and refrigerated cooler box. There's a large aft sun lounger on top of the RIB garage (Tender retrieval winch included), aft seating and starboard side seating with a large teak table and 'L' seating on the portside. The bathing platform has a hot and cold transom shower and fold away boarding ladder.

The V45 is the place to be in the sunshine or showers as she is fitted with a large sliding sunroof (Factory fitted optional extra), Aircon and Eberspacher heating. The upholstery has been replaced and is covered in SilverTech fabric.

The helm is well designed, having double helm seating with bolster and electric window. The dashboard is clear and well laid out and benefits from having a Raymarine Axiom 12, Raymarine Quantum radar, Raymarine FLIR infrared camera, Raymarine ST60+ speed log, Raymarine ST6002 Autopilot, Raymarine ST60+ depth sounder, Simrad R587VHF2x Shakespeare antennas. This V45 is also equipped with Yacht Controller which allows you to manoeuvre the vessel with the joystick which controls both engines and the bow and stern thrusters to have optimum control of the boat. This boat even comes with a remote Yacht Controller which will allow you to manoeuvre the vessel from away from the helm i.e. operating from the bathing platform.

Access to the cabin is via the curved, tinted sliding door. You step down into the very spacious saloon. The saloon is port side and has 'U' shaped leather seating which converts to a double berth and has stowage below, there's also overhead storage lockers too. Opposite is the illuminated drinks cabinet and large wall mounted TV.

The galley is opposite. It has lovely hardwood floor and is equipped with the following: Avonite (or similar) work tops, 2x round stainless-steel sinks with Monobloc mixer tap, ceramic hob, combination microwave oven, fridge and ample work surface with both high- and low-level storage.

Moving forward takes you to the primary cabin which has a double, centre island bed with reading lights above, round deck hatch, a wardrobe and a vanity unit with a mirror, high level storage lockers, under bed draws, AC outlet and opening port holes.

The primary cabin has its own ensuite. It's fitted out with teak flooring, large shower that has a glass, rotating shower screen to provide a dry room. It also benefits from a built-in seat, hand basin with hot and cold water, large mirror, storage, and an opening port hole. There's an electric toilet to holding tank.

Moving aft, you walk through to the under-cockpit guest cabin, which has two single beds with reading lights, wardrobe and its own ensuite. The ensuite is fitted with the same level of facilities as the primary cabin's ensuite.

This Princess V45 is a lovely boat and early viewing is strongly recommended.

Inventory: Yacht Controller with helm and remote control, Bow thruster, Stern thruster, Eberspacher heating, Aircon, 2x TV's, stereo, Trim tabs, Battery charger, Generator and 240v shore support.

Navigation: Navigation lights, Raymarine Axiom 12, Raymarine Quantum radar, Raymarine FLIR infrared camera, Raymarine ST60+ speed log, Raymarine ST6002 Autopilot, Raymarine ST60+ depth sounder, Simrad R587VHF, 2x Shakespeare antennas.
