A QUALITY BROOM 33 COMMAND BRIDGE CRUISER

The Company normally acts as broker for the vendors who unless otherwise stated is not selling in the course of a business. Whilst every care has been taken in the preparation of these particulars the correctness is not guaranteed and they are intended as a guide only and do not constitute a part of any contract. A prospective buyer is strongly advised to check these particulars and at his own expense to employ a qualified marine surveyor to carry out a survey and / or to have an engine trial conducted by us shall not imply any liability on our part.

Accommodation: Access to the spacious Aft deck directly into the command bridge or either side, via the wide side decks.

The command bridge has seating for 5+ people with the popular twin helm seat. The back rests on the helm and navigator's seats pivot Fwd or aft in order to change seating position. The radar arch is hinged allowing you to explore the water ways further.

From the command bridge, you step down in too the saloon. Once inside you will appreciate how light and airy this boat is. The woodwork is a lovely and the upholstery is cream leather.

Amid ship port side is the lower helm station along with a small seat and storage. On the Stb side is an 'L' shaped sofa.

Moving Fwd, you step down to the galley. It's equipped with a 3 ring LPG hob, Oven and grill, fridge, twin S/S sink with mixer tap, microwave oven and ample work surface and storage.

Opposite is the family shower and toilet compartment. It has a mixer shower, hand basin with mixer tap, large mirror, electric toilet, surface space and storage and opening port hole.

Moving forward is the twin single berth's guest cabin. This has two half wardrobes, reading lights and opening port holes.

Moving back aft, through the saloon, you then step down into the Primary Aft Cabin. Here there is an offset island bed with good access from either side. Ample storage and hanging space and an En-suite. The En-suite is fitted with a hand basin with mixer tap, separate shower cubical, electric toilet, surface space, storage and opening port hole.

Inventory: Standard Horizon GX380i chart plotter with AIS and MLR FX 312XC GPS, Standard Horizon GX 1500 DCS VHF with second handset to the command bridge, Autohelm BiData depth and speed log, Raytheon 7000 autopilot with rudder indicator, Furuno Radar, Compass, 240v shore support and Battery charger.

Decks: Anchor, Windlass, 27m Anchor Chain, Lewmar chain stopper, Fenders, Warps, Side Power SE60/185 S Bow thruster, Windscreen wipers, Folding radar arch, Snap davits, Bathing platform, Boarding ladder and Stainless steel stanchions.

Safety: Fire extinguishers, Engine Bay automatic Fire Extinguishers, Fire blanket, Electric bilge pumps and Manual bilge pump.
